TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Peterborough in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the eleventh of March next, at eight-thirty of the clock in the forenoon, (Polls close at 1 P. M. unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and for Election of Delegates at Large, Alternate Delegates at Large, and Alternate Delegates to the National Convention, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for laying out and repairing of the highways, the Fire Department, the Police Department, Public Library, Memorial Day, Adams Playground and Peterborough Pool, Gypsy Moths or White Pine Blister, Town History Committee, Community Christmas Tree, Monadnock Region Association, Town Planning Board, Peterborough Band, Water Department, and for any other charges arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town debt and interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts given to the Town in trust or otherwise by any individual or individuals.

Article 6. To see what sum of money the Town will vote to raise and appropriate to purchase a new truck for the Highway Department, or take any other action relating thereto.

Article 7. To see what sum of money the Town will vote to raise and appropriate to purchase two—ten foot hand operated truck wings or take any other action relating thereto.

Article 8. To see if the Town will vote to adopt a plan for extending to certain employees of the Town the benefits of the Federal Social Security Act as authorized by Chapter 234 of the Laws of 1951, and if this Article is adopted to see if the Town will authorize the Selectmen to execute on behalf of the Town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the Town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

Article 9. To see if the Town will vote to allow the Water Commissioners to revise the Water Rates to bring them more up to date, and to enable them to make improvements in the Town Water System.

Article 10. To see what sum of money the Town will vote to raise and appropriate to place in a Capital Reserve Fund for the future purchase of equipment for the Highway Department, the Fire Department, and the Police Department as recommended by the Planning Board, or take any other action relating thereto.

Article 11. To see if the Town will vote to raise and appropriate the sum of four hundred fifty dollars (\$450.00) for the purchase of a 1952 Pontiac eight cylinder police car, trading in the present Police Car, or taking any other action relating thereto.

Article 12. To see what sum of money the Town will vote to raise and appropriate for the installation of approved equipment to fluorinate the Town Water, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Fourteen Dollars and Eighty Eight Cents (\$914.88) provided the State gives Six Thousand Ninety Nine Dollars and Seventeen Cents (\$6,099.17) for construction of Class V Highways, or take any other action relating thereto.

Article 14. To see what sum of money the Town will vote to raise and appropriate towards paying for the remodeling of the Fire Station, or take any other action relating thereto.

Article 15. To see what sum of money the Town will vote to raise and appropriate towards the widening of School Street from Grove Street to the junction of School and Depot Streets, or take any other action relating thereto.

Article 16. To see if the Town will vote to have the Selectmen appoint the Highway Agent beginning March 11, 1953 instead of his being elected by ballot, or take any other action relating thereto.
(Requested by the Budget Committee)

Article 17. To see if the Town will vote to rescind, or adopt any changes in the Parking Ordinances as approved by the Town in the Annual Town Meeting of March 9, 1947, or take any other action relating thereto.

Article 18. To see what sum of money the Town will vote to raise and appropriate for the removal of the Main Street Watering Trough, and the repairing of the Highway at this location, or take any other action relating thereto.

Article 19. To see what sum of money the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Article 20. To see if the Town will authorize the Selectmen to administer or depose of any real estate acquired by the Town through Tax Collector's Deed.

Article 21. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-fifth day of February, in the year of our Lord, Nineteen Hundred Fifty-Two.

REPORT OF THE BUDGET COMMITTEE, 1952

The Budget Committee members feel that the budgets for the Town and the Schools have been given very careful preparation, and we agree with most items as they were originally presented. The Selectmen and the School Board have, in our opinion, presented very sound reasons for their needs for the coming year.

This year the Budget Committee has studied and reviewed with the School Board and the Selectmen their respective budgets before the warrant was published. We have reached an agreement on almost every item.

We of the Budget Committee appreciate the way the School Board and the Selectmen have accepted our recommended changes in their budgets and believe that the taxpayer will get a good return in town services for his tax dollar.

SCHOOL DISTRICT BUDGET

The School Board has submitted a budget for the year 1952-53 of \$146,532. This is to be compared with a budget of \$147,700 for the current year, which has subsequently been revised to \$147,100. Miscellaneous income for this year is expected to be \$23,800, leaving \$122,732 to be raised by local taxes. This compares with miscellaneous income last year of \$24,359, with \$122,741 to be raised by taxes. The principal increases this year are \$4,953 in teaching, janitor and nursing salaries, and a net salary increase of \$192 for our share of the administration increases of the Peterborough-Jaffrey Supervisory Union. There are also slight increases in books and other instruction aids, supplies and other expenses, fuel and light. The item of Repairs and Replacements is raised from \$6,000 to \$7,000, and a new item of \$1,330 is to provide a clerical assistant for the principal. Last year the budget contained an item of \$9,500 for additions and improvements, which does not appear this year.

The Budget Committee has reviewed all the proposed expenditures with the School Board, which was most cooperative in giving the Committee all the information that it desired. The Committee feels that the increases in salaries are entirely reasonable under present conditions; and upon the understanding that a trained person will be engaged as the clerical assistant to the principal to do his secretarial work, it is in accord with the recommendation that such a person be engaged at a salary of \$1,330. The increase in maintenance of \$1,000 is the maximum allowed under the law. One item which has not appeared before is a contingency fund of \$1,100. When it is remembered that the school appropriation is by far the largest item of expense in

the town budget, a contingency fund of about three-quarters of one percent of the total school budget seems under existing conditions to be reasonable and proper. The School Board has been awake to the advisability of increasing its other income, and that figure reflects increases in tuition charged to out of town pupils of \$25.00 a year for elementary pupils and \$20.00 a year for high school pupils. One large item of expense is that of transportation, which is \$9,500. This is based on a three-year contract and nothing can be done this year, but it is the opinion of the Budget Committee that a careful study should be made in ample time before the contract expires to determine if this item could not be reduced if the busses were owned and operated by the School District.

The Budget Committee is a little in doubt as to whether there is any advantage in a town of this size being a member of a supervisory union. There is no means provided by the statutes of withdrawing from such a union, but it is the belief of the Committee that some study should be given to amending the law so that towns who feel that they are not being benefited by the union may be permitted to withdraw.

The Committee greatly appreciates the careful, intelligent scrutiny which has been given by all members of the School Board to the preparation of this year's budget. It feels that proper balance has been obtained between providing suitable educational facilities and maintaining the budget at a reasonable level. We have, therefore, no recommendations to make other than the acceptance of the budget as submitted by the School Board.

TOWN BUDGET

This Committee agrees in general with almost all of the items as they appear in this town report. We have recommended, and the Selectmen have accepted several changes in various items of the budget.

Town Officers' Salaries. The increase of \$500.00 over a year ago is favored, as considerable more expense in printing during an election year is anticipated. This item will be \$12,500.

Police Department. The increase of \$376.00 in the Police Department budget is due to higher costs of the usual items in that budget. Also this department is asking for one day off in seven instead of one day off in eight. Last year \$9,200 was budgeted, and this year \$9,576 has been asked. We favor the Police Department budget.

Fire Department. This department is asking for \$500.00 more than last year's figure. This increase is for painting the exterior of the building. The operating budget is to be the same

as last year. We favor the budget and the increase of \$500 for painting the fire house. This total budget figure as asked will be \$6,800.

Highway Department. This budget as now shown in the annual report has been agreed upon in general by this committee. It is asking for an appropriation of \$44,715 as against an appropriation of \$40,267 a year ago. This is about a ten percent, or \$4,448 increase. In this figure the summer maintenance item is up \$1,000. This is due largely to the town's taking over from the state the maintenance of the compact area of the town.

The winter maintenance item is up \$3,500 over a year ago. This item is higher due to a heavier winter and more miles of road to take care of.

The Budget Committee has been able to lower this year's original Highway Department budget by some \$4,000 to the present figure of \$43,714,88.

We of the Budget Committee think these increases will be needed this coming year.

The remainder of the regular budget items are about the same as a year ago with the exception of the following:

1. Town Poor & Old Age—\$500 less than a year ago—to \$7,000.
2. Playground and Pool —\$500 more than a year ago—to \$4,630.
3. Putnam Park —\$150 less than a year ago—to \$250.
4. Cemeteries —\$300 more than a year ago—to \$2,500.
5. Monadnock Region —\$88 more than a year ago—to \$610.
6. Planning Board —\$300 more than a year ago—to \$500.
7. Debt and Interest —\$250 more than a year ago—to \$8,250.

The Budget Committee agrees with the changes as shown in the above items.

SPECIAL PROJECTS

Highway Truck: The Highway Department is asking for a new truck. The usual gasoline truck (two and a half tons) will cost about \$4,500. A new diesel truck (two and a half tons) brought out by General Motors, will cost \$5,900. The majority of this committee favor the purchase of a new diesel truck for the Highway Department with the understanding that the old Mack truck is traded in.

Truck Plow Wing: The Highway Department is asking for an appropriation of \$520 for a new plow wing which we favor.

Fire House Doors: The Fire Department is asking for three overhead, automatic doors and other changes in the front of the station. This will be explained in detail at Town Meeting. We favor the appropriation of \$5,400 for this item.

School Street: The Planning Board has made a study and has had plans made for the widening of School Street. The amount of \$4,000 is asked for this item, this being the State's estimate of the cost. We favor this project.

Cruiser: We approve the sum of \$450 to be used for trading the present car for a new cruiser.

Report of the Chief of the Fire Department

TO THE SELECTMEN OF PETERBOROUGH:

I submit my report from January 1, 1951 to December 31, 1951.

Alarms	8	
Still Alarms	9	
False Alarms	1	
	—	18
Chimney Fires	4	
Brush and Grass Fires	6	
Car Fires	1	
Dump & Rubbish Fires	2	
Oil Burner Fires	3	
Gas Spillage	1	
False Alarm	1	
	—	18

The year 1951 proved very quiet for calls for the Department. During the year we have had the kitchen in the Fire Station remodelled with new cupboards and painting, an electric stove and lights were donated and the Firemen, from their own fund, have purchased a refrigerator and put in many hours of their own to make the fire station more presentable. The main hall upstairs has been painted and all ceilings repaired.

We wish to thank all who have assisted us this past year.

Respectfully submitted,

DAVID J. ROCHFORD, Chief

Report of the Adams Playground Committee,
Season of 1951

This season at the Adams Playground was a busy one with a large attendance of children of all ages. Outdoors activities were in charge of Jerome Rogers. There were many events scheduled including hikes up Mt. Monadnock and a visit to the Cathedral of the Pines. Every Friday there was a Treasure Hunt or a Scavenger Hunt.

Mrs. Arlene Boldini was in charge of Crafts and offered a very interesting program which all the children enjoyed. There were metal crafts, woodwork, glass etching and many other fascinating handwork projects. Barbara Lloyd and Joan Picard assisted Mrs. Boldini at the Craft House.

At the end of the summer there was a very interesting exhibit at the Street Fair showing the work done at the Craft House with children working on handcrafts at tables and a large display of work already completed. There were many interested spectators.

The Swimming Pool program offered swimming lessons for all ages every morning and free swimming every afternoon. There was a large daily attendance except when activities had to be curtailed due to rainy weather. The program had to be cancelled entirely for 2 weeks due to polio when the Pool had to be closed.

The Life Guards were Ray Parrott and Betty Shattuck and Mrs. Fletcher Missud, (Mrs. Ruth Craig filled in for Mrs. Missud at the end of the season) and Judy Harris.

The chlorinating plant and maintenance of the Pool and Bath house was in charge of Bobby Clark.

George Cass was grounds keeper and responsible for the general care of all areas.

Improvements made during the 1951 season:

Driveways in the Pool area were filled in with gravel.

Bath House roof and clap boarding were patched.

Windows which were broken during the winter at the Craft House were replaced with hinged shutters.

The Chlorinator was overhauled and repaired.

Respectfully submitted,

GLORIA R. MURRAY, Secretary

Report of the Librarian of the Town Library

To the Trustees of Peterborough Town Library:

Herewith is presented the report of the librarian for the year 1951:

TOWN LIBRARY

Number of volumes purchased during year	326
Number of volumes acquired by gifts during year	77
Number of volumes discarded during year	40
Number of volumes now in library	28,462
Number of volumes circulated during year	24,308
Number of pictures circulated during year	34
Number of volumes repaired during year	502
Registrations during year	180
Reading room attendance	5,902
Periodicals and newspapers bought for reading room	58
Periodicals and newspapers given to reading room	14

Appreciation is hereby expressed to the following friends of the library who have remembered it with gifts of books, magazines and flowers:

Books: Miss Ann Dodson Buck, Boston Herald, Cheney-Armstrong Unit No. 5 American Legion Auxiliary, Committee for Constitutional Government, Master John W. Derby, Mrs. Norman J. Elmes, Mrs. Marjorie Fischer, Mrs. George Gautreau, Mr. Paul G. Gregory, Mr. Carl T. Keller, Mr. Clement Lamson, Mrs. Arthur LeBritton, Mr. J. Carlisle MacDonald, Mr. George A. Morison, Peterborough Historical Society, Prudential Insurance Company of America, Secretary of State, Union Congregational Church, Mrs. Sam Bass Warner, Mr. Carleton A. Wheeler.

Extra magazines: Mr. Robert C. Craig, Mrs. Amy Hale Golder, Miss Esther Jackson, Mrs. Lionel G. Jessop, Mr. Carl T. Keller, Rev. James E. McKee, Miss Louise R. Nickerson.

Papers: Christian Science Monitor, Keene Evening Sentinel, Peterborough Transcript.

Flowers: Mrs. Elwood A. Aldrich, Master Harlon Baird, Mrs. Walter A. Bryer, Mr. Robert C. Craig, Miss Martha E. Cutler, Mrs. William C. Hunter, Miss Anna L. Jaquith, Mrs. Katie Nichols, Miss Etta M. Smith, Mrs. Smith P. Theimann, Mrs. Fred P. Waite.

William Faulkner says: "A book is a wondrous thing. It becomes a very part of the reader, an individual delight that can be chosen, held and returned to at will. There are no mechanized restrictions between a reader and a book."

The same old story to report; the library has plenty of books to loan for supplementary reading, to all the teachers, if they will take advantage of this service.

During Book Week, the First and Second divisions of the First Grades came to the library where they were given book-marks, candy and McIntosh apples, the last being donated by Mr. George A. Morison. Mrs. Hunter and Miss Jaquith told stories to the pupils. This year, all Book Week exhibits were at the library where the children could look them over. The parents were also invited to visit the library, but only a few availed themselves of the opportunity.

Again, we wish to express our thanks to the Cheney-Armstrong Unit No. 5 American Legion Auxiliary for the gift of one book a month for their Memorial Shelf. This Shelf is very popular. Also to the Union Congregational Church for their gift of many books.

There are special shelves of books for both adults and children, for the reading lists of the Congregational Church, the Methodist Church and the Parent Teachers Association.

We take this opportunity to thank our patrons, especially including the children, for their kindness and courtesy to us at the library.

Respectfully submitted,
MARTHA E. CUTLER, Librarian

AUDITORS' REPORT

We have examined the accounts of all Town Officers, Committees and others having charge of moneys, for the year ending December 31, 1951, as required by law, and find them correctly cast and properly vouched.

We have not examined the James Smith Fund nor the Weston Memorial Fund, as these funds are not held in the name of the Town.

TOWN PLANNING BOARD ANNUAL REPORT

March, 1952

During the past year it has become increasingly evident to your Planning Board that the planning function is to keep local government orderly, economical and progressive in the development of a community.

1. That an integral part of planning is research or study before community decisions are made and to report only with recommendations after thorough impartial study.

2. That work for the Planning Board is and should be mostly originated for it through requests of other local government agencies or departments.

3. That the Board is policy determining. It determines what work is to be done, in what order, the type and extent of study to be made and, of course, acts upon the recommendations which conclude each project study.

Membership

The Board membership (seven) includes citizens of proven experience in widely varying vocations appointed to serve without compensation for a term of five years, so scheduled as to have one term expiring each year.

The members are each keenly aware that recommendations of the Board must be impartial, thorough and sound in judgment if the board is to survive and retain the confidence of the community.

Meetings

Since its organization $3\frac{1}{4}$ years (39 months) ago the Board has held a total of 42 meetings or an average better than one meeting a month. (The Enabling Act rules that a town board should hold at least one regular meeting every three months.)

A total of 22 separate projects have had study; 15 originated in the Board and the other 7 were requested by outside agencies.

Studies Completed (The Past Year)

Maps: It is recommended that all maps which are town property be centralized, screened, indexed and placed in safe keeping. The Public Library vault has been thought of as a likely place.

School Street Widening: The need of widening School Street has had careful study and a plan prepared in suitable form for presentation to the town. Specifications were secured from the State Engineer Dept. and without cost through Selectman Mercer. Estimated cost of street widening and improvement was actually \$3,921.00. It is recommended that the Selectmen include this project in Warrant for 1952 town meeting, for an appropriation of Four Thousand Dollars (\$4,000.)

Highway Construction (Class V Roads)

It is recommended that all roads contemplated should first have tangible plans submitted to the Planning Board for Board approval. Only in this manner can the town's development be coordinated into the broader plan or perspective for which the Board is created.

Village Streets (Resurfacing)

It was learned that the town will this year have approximately 3.1 miles additional of highway to maintain within the compact area and that for such the state allows One Thousand Dollars (\$1,000.) per mile for upkeep. (Union Street would cost approximately \$18,000 for the kind of a job required there.) The board believes that hot asphalt concrete pavement is probably the most practical resurfacing material and that Union and Granite Streets at this time demand preferred attention.

It is recommended that Union St., Granite St., Concord St., Grove St. (and Main St., which serves as junction) now traversed by Routes 101 and 202 respectively, should have care and that Union and Granite Street have preferred attention this year.

Village Streets and Sidewalks

It is recommended that before the town builds any roads, walks or public ways or similar project that such plans be first submitted to the Planning Board for study and approval.

Putnam Park

The Board has met with representative of the Park Committee, reviewed plans of work suggested and agreed that the Park Committee should submit a request for appropriation directly to Selectmen for action in this year's town meeting.

Town Water System (Blueprint, need of)

Sensing that it is of paramount importance that there be prepared a blueprint of town water mains, extensions, cutoffs, etc., as one means of efficient management and development. It is recommended to the water commissioners that they, the commissioners, should request an appropriation this year for the purchase of blueprinting the water system. It is the Board's opinion that such appropriation might rightly be charged against income from the Water Department receipts.

Watering Trough (At Main and Summer St.)

It is recommended that the Selectmen place in the Town Warrant an article for removal of the Watering Trough at Main Street and Summer Street and store it in the Town Garage or elsewhere until a suitable place is found for it to be set up.

Town Equipment

It is recommended that for this year (1952) new equipment needed and ordered, should be the last for special appropriation on these items. This recommendation is made in anticipation of a Capital Reserve Fund to start this year, in 1952 as follows:

Capital Reserve Fund

At the 1951 Town Meeting the following report was approved and assigned to the Planning Board for action:

"The Town of Peterborough has four trucks belonging to the Highway Department. The oldest is seventeen years old, the next oldest is twelve years, the next oldest seven years, the newest four years of service.

"Besides the four trucks, mentioned above, the Highway Dept., owns a ten year old Bulldozer, a thirteen year old grader, snow plows, road hones, brushes, etc.

"Taking into consideration the poor mechanical condition of this equipment, as well as the heavy service, they are called upon to render, we advise replacing the two oldest trucks this year, and in the future buy one new truck each year.

"If this program is followed, eventually none of the trucks will be over four years old, and with proper care should render much more continuous and economical service. If we do buy two trucks and a snow plow this year, we think it advisable to delay the setting up of a sinking fund for the purchase of Highway equipment until 1952. We suggest that we turn over to our Planning Board the task of setting up a schedule of depreciation for all Highway owned equipment, and then establish a sinking fund adequate to replace worn out pieces, without having to assess it when and if it is purchased."

As one means of study in setting up a Capital Reserve Fund for replacement of equipment against depreciation, the Planning Board requested the Highway Dept., Fire Dept., and Police Dept., furnish an inventory of present equipment, its cost, its age and condition. (It was felt that the Water Dept. might correctly be compared to a Public Utility Co. with income adapted for accounting purposes in maintenance of its equipment.)

Accordingly, the Planning Board recommends an annual assessment of one tenth of one percent ($1/10$ th of 1%) of the town's net valuation to be set up as a Capital Reserve Fund, to be apportioned as follows: Highway Dept. 67%—Fire Dept. 27%—Police Dept. 6%. Such assessment to start in 1952, this year.

Planning Board Appropriation for 1952

It is recommended that \$500 be appropriated as a general fund for research, clerical and other expenses as may be directed by the Planning Board.

Subjects (Not completed) on Agenda

Parking: The Board believes that the existing parking ordinance should be reviewed anticipating that later recommendations will be made to the town.

Playground Underpass

This subject was brought before the Planning Board by representatives of the Board of Trade for assistance and approval. The Board of Trade is prepared to contribute \$3,200 with the hope that the Town will match this amount toward a probable cost of \$6,500 total. The underpass is not to be regarded as a War Memorial within itself. Probable specifications are: 7 ft. deep, 5 ft. wide, ? long (highway 49½ ft. wide) waterproofed, crossing of town water pipes, lighting, and technicalities required by state road under which it passes. Following consideration of the request, your Planning Board created a Committee of three (one member from Playground Committee, Board of Trade, and Planning Board respectively) to bring in a clearly visualized plan for study and approval by the Planning Board to in turn later recommend to the town. The Committee appointed has reported.

The Planning Board has suggested and will secure from the State Development Commission plans, which we believe are available, prepared from special studies in the field of recreation and playgrounds throughout the state or country as a whole. The assistance of the State Highway engineer will also be enlisted to meet technical requirements of the State Highway which will be underpassed.

This project is to be considered as part of an overall plan for study and approval by the Planning Board with a view to later recommendations to the town.

Other Projects

Other projects or studies before the Board, and which are carried forward on the Agenda of each meeting until completed or other action taken are:

Traffic studies.

Parking Meters.

Water Meters in use.

New street between Peirce Co. & Derby's.

Residential Developments generally.

Fire station—location.

War Memorials—World War I & II

Putnam Park improvement.

Zoning—for the purpose of promoting health, safety, morals and the general welfare of the community.

Conclusion

As our way of life has become more complex so have our demands become complex. Your Planning Board welcomes and encourages citizens to bring before it such problems as concern "Our Town's" development.

B. Administrative Policy

The School Board is continuing the practice of meeting frequently with selected groups of teachers who are invited to present various phases of the instruction program so that Board members may keep intimately acquainted with the instructional objectives of the teachers and the methods being employed to reach those objectives, and in turn, teachers may have the benefit of School Board reactions. These joint meetings are proving very helpful in maintaining mutual understandings.

No vacancy occurred during the school year, but Mr. Cate and Miss Harriman withdrew at the end of the year, and Mr. Seidell resigned during the summer. Thus, these three vacancies had to be filled and an additional one, because of having two sections of Grade 6. Mr. Cate's place was taken by Mr. Snow. Miss Smith is teaching science and physical education, and coaching girls' athletics in place of Miss Harriman. Mr. McAdam and Miss Saunders are teaching the two sections of Grade 6 in place of Mr. Seidell who taught Grade 6 last year in one section.

Peterborough teachers are deserving of high commendation for their efforts and interest in improving themselves professionally through summer school attendance, extension courses, workshops, and professional reading.

B. PROGRAM AND METHODS

For the past few years there has been a growing feeling on the part of the teachers of the Central School and the Superintendent that there was needed a better correlation between the basic reading system being used and the textbooks in other subjects. As many of the little reading books used in the first grade needed to be replaced this year and those in the other grades would shortly, it seemed advisable to adopt for the first grade this year more modern and effective materials than those we have been using. After much careful study and testing of sample materials, the new basic readers were adopted. As this system has been in use for the past five years throughout the other districts in this Supervisory Union with excellent results, its adoption is no experiment. One of the great values of this system is that the vocabularies of the books being used in arithmetic, social studies, science and health are all based on the vocabulary developed by the basic readers. Thus, when a pupil is reading a problem in arithmetic, he does not have to wrestle with words he does not know except those pertaining to the arithmetical concepts being considered at the moment. Teachers and pupils are finding their new books tremendously interesting and effective.

PART III. SCHOOL PLANT

Last year's report mentioned the need of additional room for this year. These needs were taken care of during the summer. The office was made over into a classroom and a small health suite, and the basement of the new addition was finished off for a combination class—and lunchroom.

These changes have provided for our most serious needs for additional space for the next year or two, but hordes of little folks now in the Central School are headed toward the High School. What to do with them is still an unanswered question. An intensive program of study of this problem has been carried on during the past year and will continue until the most practical and sensible answer can be found.

F. Report of District Clerk

At a meeting of the inhabitants of the School District of Peterborough qualified to vote in District Affairs, holden at the Town House in said District on Tuesday, the 13th day of March 1951 at 8:30 A. M. o'clock. The meeting was called to order by the Moderator, Maurice M. Blodgett, who read the warrant and proceeded with the business as follows:

Voting for District Offices—It was voted upon motion of Paul Cummings, Jr., that the polls for balloting under articles 1 to 4 inclusive be closed at 1:00 o'clock in the afternoon.

Article 5: Under article 5, the following articles presented by Mr. Shultz passed without discussion:

1. Moved that the salary of the Moderator be \$10.00 for the ensuing year.

2. Moved that the salary of the School District Clerk be \$10.00 for the ensuing year.

3. Moved that the salary of each school board member be \$50.00 for the ensuing year.

4. Moved that the salary of the District Treasurer be \$75.00 for the ensuing year.

5. Moved that the salary of each school district Auditor be \$15.00 for the ensuing year.

6. Moved that the salary of each Ballot Clerk be \$5.00 for the ensuing year.

Article 6. A motion made by Dr. Tenney was passed that action under this article be deferred until after action on Article 8.

Article 7: No action taken under this article.

Article 8: Under this article the following motion was presented by Earl Shultz of the School Board—Moved: That the District raise and appropriate the sum of One Hundred Thirty-Seven Thousand, One Hundred Eighty-eight Dollars (\$137,188) for the support of the schools, for the salaries of the School District Officers and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Equalization Fund together with other income: The School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the taxes of the Town. Mr. Shultz explained the different items in the budget, stating that after careful study the School Board felt that they could not keep the high standard maintained by the Schools on any smaller budget. An amendment to the above motion presented by Dr. Tenney. Moved to amend the motion by striking out the figure \$137,188.00, and substituting in place thereof the figure, \$133,343.00, pointing out the following reductions that could be made in the school board's budget.

District's share of Mr. Badger's new bookkeeper	\$482 00
Reduction in teacher's salaries from \$77,500 to \$75,000	2,500 00
Reduction in Janitors' salaries from \$4,400 to \$4,280	120 00
Reduction in health supervisor \$2,175 to \$1,675	500 00
Reduction in retirement	243 00
	<hr/>
	\$3,845 00

Dr. Tenney spoke about the problem of out-of-town pupils attending our Schools, and said that the time had come now when we had to decide whether to deny out of Town pupils the advantage of our schools, or have some cooperative agreement with Towns sending their pupils here to bear a greater portion of the cost. Messrs. Karl Musser and George Kendall spoke against the amendment, and after discussion by several a vote was taken and the amendment was defeated.

It was felt that the District's share of Mr. Badger's new book-keeper amounting to \$482.00 could be cut from the budget, and it was moved to amend the motion by striking out the figure \$137,188.00 and substituting therefor the figure \$136,706.00. This amendment passed, and the motion passed as amended.

Article 8: Under this Article the following motion was presented by Dr. Tenney. Moved: That it is the sense of this meeting that the ultimate solutions of our school problems rests in the formation of a Co-operative School District with our neighboring School Districts. To this end the School Board and the Superintendent are instructed to study and develop a Cooperative School District Proposal in conjunction with our Neighboring School Districts, and if practical, to report the same at our next Annual, or at a Special District Meeting. The Motion passed.

Article 6: Under this article, it was voted that the meeting dispense with the reading of the reports of the Clerk, Treasurer and auditors, and that the same be accepted as recorded.

Under Article 9: The School Board presented the following motion, Moved that the District raise and appropriate the sum of Ninety-five hundred dollars (\$9500) for alterations and improvements to the High School Building. Mr. Marshall Wilder explained the need of the proposed changes and alterations at the High School.

Mr. George Morrison attempted to amend the motion by striking out the figure \$9500 and substituting therefor the figure \$7500. This amendment was defeated and the motion passed.

Under Article 9, it was further moved that the contract for the alterations and improvements to the High School voted under article 9 be awarded to the lowest responsible bidder at least one week after suitable advertisement in a newspaper of general circulation in the Town, giving all details and specifications. This motion was carried.

It was voted to pass article 10 until after article 11 was considered.

Article 11. It was moved that the District raise and appropriate the sum of Fourteen Hundred Ninety-four Dollars (\$1494) of the accrued and current income of the Nichols Fund for the general school purposes. Motion passed.

Article 10. The motion to appropriate the sum of \$1494 for purchase of new equipment was passed over.

Article 12. A motion to raise and appropriate \$1600 for clerical assistance to the Principal was lost. It was argued that the principal had to spend several hours daily on book work and letter writing, and it was thought that his time could be put to better use.

Article 13. The following motion was passed-Moved: That the District raise and appropriate the sum of Sixty-five Hundred Eighty-Two Dollars (\$6582.00) in addition to the original appropriation for 1950-51 in order to meet anticipated obligations caused by increased enrollments and to authorize the application against said appropriation of unanticipated income of \$3,000, the balance of \$3,582.00 to be raised by taxes by the Town, and made available to the School District prior to July 1, 1951.

Article 14. A Motion that the district request the State Tax Commission to audit the District's financial accounts for the fiscal year 1950-51 was passed. A rising vote was taken on this motion there being 54 against and 81 in favor of the motion.

Article 15. The following motion was passed-Moved: That the District authorize the school board to sell a portion of the High School Lot to Esther A. Fitts for the sum of \$200.00.

The polls closed at 1:00 P. M., and the Moderator declared a recess until after the ballots were counted. Record of the ballot was as follows:

Maurice M. Blodgett, Moderator	590
Helen Keenan, Clerk	602
Robert Derby, Treasurer	599
Elinor Blodgett	
Member of School Board for 3 years	560
Vernon Towle, Auditor	45
Clarence Greenie, Auditor	45

These Officers having received a majority of all votes cast were declared elected. Meeting was adjourned at 9:15 P. M.

Respectfully submitted,
S/ HELEN KEENAN, Clerk

PART V. CHILD ACCOUNTING AND STATISTICS

A. Promotion to High School

The following 34 pupils, as compared with 31 for 1950 and 29 for 1949, were promoted to High School in June, 1951.

Ronald Bailey, Marjorie Barry, Stella Bourgoine, Gary Brown, Theresa Cabana, Harry Codman, Gwendolyn Craig, Wayne Crowell, Bernie Cutter, Rachel Dolan, Margaret Egan, John Franklin, Leonard Gauthier, David Gavitt, Steve Gilbert, Robert Hatfield, Paul Lavoie, Billy LeBritton, Irene Legere, Nancy Lloyd, George Lussier, Arthur Makechnie, Arnold Myhaver, Faith Myhaver, Lawrence Nutter, Nancy Price, John Ramsey, Shirley Rich, Norma Russell, Frank Ryan, Jr., Antonio Sangermano, Theresa Tansey, James Wenblad, Wayne Westover.

It is significant to note that all of these pupils entered high school last September.

B. High School Graduates, June 1951

Thirty-nine students as compared with forty-one for 1950 and thirty-one for 1949, graduated from Peterborough High School in June 1950.

Ann Basset, Joseph Bourgoine, Susan Carr, Stephen Chase, Jr., Bernard Clark, Donald Cuddihee, Ronald Dutton, Patricia Emery, Barbara French, June Getchell, Shirley Griswold, Barbara Hannon, Fred Jenne, Helene Kereazis, Thomas Low, Joseph Ludwig, Theresa Lussier, Margaret McLaughlin, Robert McLean, James Macquarrie, Leo Merchant, Howard Moberly, Alvah Niemela, Barbara Ossman, Ronald Parkhurst, June Pasquerella, Louise Pickford, Donald Pierce, Lillian Reynolds, Richard Robbins, Evelyn Smith, Gloria Spiller, Johanna Sulzmann, Eugene Tansey, Margery Traxler, Doris Tielinen, Richard Whitney, Carolyn Williams, Nancy Young.

What do Peterborough High School graduates do on graduating? These thirty-nine have done as follows:

- 7 (18%) entered college
- 5 (13%) started specialized training in post-secondary institutions other than colleges.
- 8 (21%) joined the Armed Forces.
- 7 (18%) found employment in clerical positions.
- 3 (8%) found employment in secretarial positions.
- 5 (13%) found employment in manufacturing and other types of work.

2 (5%) entered matrimony.

1 (2%) returned to Germany (post-secondary activity unknown).

1 (2%) returned to home in Idaho (post-secondary activity unknown).

C. Statistics for the Year Ending June 30, 1951

	High	Elem.	Total
Number of Pupils Registered	193	345	538
Average Number of days schools were in session	173	173	173
Average Membership	183.0	347.4	530.4
Average Attendance	171.1	324.1	495.2
Aggregate number of half-days all pupils were in school	59188	112157	171345
Per cent of attendance	93.52	93.29	93.37
Average number of days each pupil was in school	162	162	162
Non-resident pupils (tuition)	84	18	102
Pupils transported at district expense	44	196	240

Comparisons of interest:

1. Last year's report mentioned the increase in Peterborough pupils from 437 to 506 in four years. The above figures show a further increase to 530. This is a gain of 21% in five years.

2. The number of tuition pupils increased from 93 in 1949-50 to 102 in 1950-51. The increase in five years has been about 65%.

3. The number transported has increased about 50% in five years.

Total	<hr/> 744

The comparable number for 1950 was 699 and for 1949, 624, an increase in two years of 19%.

The numbers in the five-, four-, and three-year old groups point toward some large first grade classes for the next three years. As these larger classes move on up through the schools it is easy to see that the classroom walls will be bulging unless more rooms are provided.

PART VI. SCHOOL WARRANT

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 11th day of March, 1952 at 8:30 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate the sum of \$1000 for the purchase of new equipment.

10. To see if the district will vote to appropriate the sum of \$1000 of the accrued and current income of the Nichols Fund for general school purposes.

Given under our hands at said Peterborough this 25th day of February 1952.

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
